DCI SECURITY COMMITTEE
MONTHLY ACTIVITIES REPORT
OCTOBER 1978

25X1 1. [] The Committee Staff provided continuing
25X1 support to [] as he and his Working Group com-
pleted their study to develop a new compartmentation system
and began active support to [] SA/DCI, who is
now tasked with implementation of such a system.

25X1

25X1 2. [] The DCI has approved the selection of two
senior officers from the Intelligence Community for assign-
ment to the Security Committee Staff. Negotiations are now
underway with their parent agencies to agree upon a reporting
date.

25X1 3. [] Security review of a proposed new sub-compartment
was completed and a recommendation for approval was forwarded
to the DCI. The DCI later approved the creation of the sub-
compartment.

25X1 4. [] The Collection Tasking Staff has been requested
to conduct a zero based review of all space derived intelligence
information to determine what material may be decompartmented
to permit its wider use. This is to satisfy tasking directed
by PD-37.

25X1 5. [] The Investigative Standards Working Group has
initiated a community-wide survey to validate current investi-
gative requirements and scope of investigative effort. The
survey will collect data in support of this effort until at
least 31 January 1979.
